

PRIVACY POLICY

We at TigerTech, value the privacy of our users and we take our best initiative to protect the privacy of our Users. The privacy of the information you disclose to us is governed and dealt with according to the rules and regulations stated in this Privacy Policy.

Please read this privacy policy ("Privacy Policy") to learn more about the manner in which we collect and use information that is generated when you visit www.tigertechlabs.com and affiliated sites (the "Site"). and you are deemed to have agreed to this privacy policy even when you use this website without reading this privacy policy.

If you visit the Site and/or choose to create an account and/or place an order with us, we have designed our system to protect your privacy. Our system will be able to ascertain your geographic location from your IP (Internet Protocol) address, but we do not collect e-mail addresses or track the sites that you access while you use our services unless (i) we are required to do so by law; (ii) we have reason to believe that you have violated the terms and conditions of the TigerTech Labs Terms of Use (please refer to the Terms & Conditions Agreement on www.tigertechlabs.com); (iii) you have caused or attempted to cause harm to us or the other users of our Site; and/or (iv) you voluntarily provide us with personal information (as described below).

Two types of information may be collected when you visit our Site:

- (a) Personal information (such as name, address, telephone number, e-mail address, password, etc., which is only collected by us if you voluntarily submit it to us. For example, if you voluntarily place an order on the Site, we use the information we collect to confirm and process your order, to keep you updated on the status of your order, and to respond to any questions you may have. In each case, TigerTech collects such information only insofar as is necessary or appropriate to fulfill the purpose of the visitor's interaction with the Site. Visitors can always refuse to supply personally-identifying information, with the caveat that it may prevent them from engaging in certain website-related activities, such as login, purchase, and interaction. If you voluntarily create an account with us on our Site, we will receive the account information you submit so that we may better ensure that you receive streamlined service, custom discounts, faster checkout, order history, and other products, information and/or services you explicitly request. Where required, we also share this information with certain intermediaries (such as freight carriers, shipping companies and product manufacturers) to process and ship your order.

- (b) Aggregate / Analytics information (such as log files/information about how many visitors log on to the Site and other non-identifying statistics), which is automatically collected from your use of the Site. Our servers will log IP addresses and collect third-party sites (and information from these sites) from your use of the Site. TigerTech uses this information to measure the use of our Site, to improve the content of our Site, and to provide our users with the best possible services. Our Site may also use your IP address to help identify you and your shopping cart.

In sum, you can visit our Site without telling us who you are or revealing personal information about yourself. However, you can, if you choose, participate in additional secured applications. For access to these applications, you are required to create an account with us or provide personal information when placing an order or logging into your user-interface. If you place an order and/or create an account with us, we may also, from time to time, send you information about special offers, new products and services, system changes and updates, and other information we think may be of interest. If for any reason you do not wish to receive this information, you may reply to any of our e-mails and type "unsubscribe" in the subject line or send an email to our customer service email to opt out. You may opt out of receiving future e-mails at any time.

TigerTech does not rent, sell, or share personal information about you with other people or non-affiliated companies except to provide services that you have requested, when we have your permission, or under the following circumstances:

- We believe it is necessary to share information in order to investigate, prevent, or take action regarding illegal activities, suspected fraud, situations involving potential threats to the physical safety of any person, violations of our Terms of Use, or as otherwise required by law.
- We may transfer information about you if TigerTech is acquired by or merged with another organization. In this event, TigerTech will notify you before information about you is transferred and becomes subject to a different privacy policy.
- We may share information collected from your use of the Site or the purchases you make with whom we have marketing or other business relationships, in order to further improve/increase our services and customer base.
- We share information with certain intermediaries (such as freight carriers, shipping companies and product manufacturers) where required to process and ship your order.

Social Networking Sites

In case you register an account or log in through your social networking sites, we can get access to your basic profile information to the extent allowed by you.

Mobile Devices

In case you use a mobile device including but not limited to smart phone or tablets for the purpose of accessing our site, your location and information in your contact list may be collected as per our terms and conditions.

Cookies

A cookie is a string of information that a website stores on a visitor's computer, and that the visitor's browser provides to the website each time the visitor returns. TigerTech may use cookies to help us identify and track visitors, their usage of the Site, and their website access preferences. Our visitors who do not wish to have cookies placed on their computers should set their browsers to refuse cookies before using the Site. Some functionalities may not be available if Cookies are disabled.

You may set your browser to reject cookies or to alert you when a cookie is placed on your computer. You may also delete cookies as soon as you leave our sites. Although you are not required to accept cookies when you visit our sites, if you set your browser to reject cookies, you will not be able to use all of the features and functionality of this site. Please consult the Help or Assistance sections of your chosen browser on how to affect cookie acceptance and storage.

Links to Other Sites

We may provide links to a number of third-party external sites. The inclusion of any link does not imply our endorsement of the external site company, its Website or Websites, or the products or services it promotes or sells. When you leave our Site to visit one of these linked sites, the only information transferred to the third party is the fact that you came from our Site. TigerTech is not responsible or liable for the independent privacy policies of these third-party Websites. You should consult the privacy policies at these Websites to determine how your information may be used.

Your Consent

By using our Site, you certify that you are over the legal age of 18 years of age and consent to the collection and use of this information in the manner we describe.
